

Audio Luminosity

Audio Luminosity is a VJ content pack released simultaneously with the track Gangsta by Jessey Zepeda. He wants to give back in homage of the data extracted through the community and culture of VJ. Audio Luminosity was released @ archive.org and is licensed under creative commons share alike. Audio Luminosity consists of 35 HD Videos, 22 SD Videos and 10 Quartz Compositions available in their respective zip files. Please enjoy, give and share!
